

## 2025 - 2026 Student Health Insurance Plan: Clark Atlanta University

### Who can enroll?

All full-time (12 or more credit hours) undergraduate, graduate residential and international students with an F-1 or J-1 Visa status are automatically enrolled in this insurance plan at registration, unless proof of comparable coverage is furnished. Part-time students and graduate students living off campus are eligible to enroll in this insurance plan. Athletes are required to purchase this insurance plan.

The student (Named Insured, as defined in the Certificate) must actively attend classes for at least the first 31 days after the date for which coverage is purchased. Home study, correspondence, and online courses do not fulfill the eligibility requirements that the student actively attend classes. The Company maintains its right to investigate eligibility or student status and attendance records to verify that the Policy eligibility requirements have been met. If and whenever the Company discovers that the Policy eligibility requirements have not been met, its only obligation is refund of premium.
