#### **Participating Providers**

Aetna Student Health offers Aetna's broad network of Participating Providers. You can save money by seeing Participating Providers because Aetna has negotiated special rates with them, and because [the Plan's benefits are better.

If you need care that is covered under the Plan but not available from a Participating Provider, contact Member Services for assistance at the toll-free number on the back of your ID card. In this situation, Aetna may issue a pre-approval for you to receive the care from a Non- Participating Provider. When a pre-approval is issued by Aetna, the benefit level is the same as for Participating Providers.

#### Preauthorization

Some services have to be preauthorized by Aetna beforehand if you want the Plan to cover them. Participating Providers are responsible for requesting preauthorization for their services. You are responsible for requesting preauthorization if you seek care from a Non- Participating Provider for any of the services listed in the Schedule of Benefits section of the Certificate. Preauthorization is not required for Participating facilities certified by the New York office of alcoholism and substance abuse services.

If you want the Plan to cover a service from a Non- Participating Provider that requires preauthorization, you must call Aetna at the number on your ID card. After Aetna receives a request for preauthorization, we will review the reasons for your planned treatment and determine if benefits are available.

#### You must contact Aetna to request preauthorization as follows:

- At least two (2) weeks prior to a planned admission or surgery when your provider recommends inpatient hospitalization. If that is not possible, then as soon as reasonably possible during regular business hours prior to the admission.
- At least two (2) weeks prior to ambulatory surgery or any ambulatory care procedure when your provider recommends the surgery or procedure be performed in an ambulatory surgical unit of a hospital or in an ambulatory surgical center.
- Within the first three (3) months of a pregnancy, or as soon as reasonably possible and again within 48 hours after the actual delivery date if your hospital stay is expected to extend beyond 48 hours for a vaginal birth or 96 hours for cesarean birth.
- Before air ambulance services are rendered for a non-emergency condition.

#### You must also contact Aetna to provide notification after the fact as follows:

- As soon as reasonably possible when air ambulance services are rendered for an emergency condition.
- If you are hospitalized in cases of an emergency condition, you must call Aetna within 48 hours after your admission or as soon thereafter as reasonably possible.

#### **Description of Benefits**

The Plan excludes coverage for certain services and has limitations on the amounts it will pay. While this Plan Summary document will tell you about some of the important features of the Plan, other features that may be important to you are defined in the Certificate. To look at the full Plan description, which is contained in the Certificate issued to you, go to <u>https://www.aetnastudenthealth.com</u>.

All coverage is based on the Allowed Amount.

"Allowed Amount" means the maximum amount Aetna will pay for the services or supplies covered under the certificate, before any applicable Copayment, Deductible and Coinsurance amounts are subtracted.

- The Allowed Amount for Participating Providers is the amount we have negotiated with the Participating Provider.
- The Allowed Amount for Non-Participating Facilities is 140% of the Medicare rate.
- The Allowed Amount for all other providers is 105% of the Medicare rate.

Our Allowed Amount is <u>not</u> based on the "usual, customary and reasonable charge." If a Non-Participating Provider's actual charge is more than the Allowed Amount, you are responsible for the difference. Call us at the number on your ID card or visit <u>https://www.aetnastudenthealth.com</u> for information on your financial responsibility when you receive services from a Non-Participating Provider.

This Plan will pay benefits in accordance with any applicable **New York** Insurance Law(s).
