Enrollment and Waiver Process

The enrollment and waiver process is administered by HSA Consulting, Inc. (HSAC), the ICOM student insurance plan administrator. To enroll in the Idaho College of Osteopathic Medicine-sponsored plan, or if you have any questions regarding the enrollment or waiver process, contact **HSAC** at **1-888-978-8355**, or visit https://app.hsac.com/icom.

To enroll the eligible dependent(s) of a covered student, please complete the Enrollment submission for your dependent by visiting https://app.hsac.com/icom and clicking on the enroll tab at the top of the page. HSAC will contact you directly to process your dependents enrollment. You may also contact **HSAC** at **1-888-978-8355** for any questions regarding dependent enrollment. Please refer to the Coverage Periods section of this document for coverage dates and deadline dates.

Dependent enrollment applications will not be accepted after the enrollment deadline, unless there is a significant life change that directly affects their insurance coverage. (An example of a significant life change would be loss of health coverage under another health plan.)

Important note regarding coverage for a newborn infant or newly adopted child:

- A newborn child - Your newborn child is covered on your health plan for the first 60 days from the moment of birth.
  - To keep your newborn covered, you must notify HSAC of the birth and pay any required premium contribution during that 60-day period.
  - You must still enroll the child within 60 days of birth even when coverage does not require payment of an additional premium contribution for the newborn.
  - If you miss this deadline, your newborn will not have health benefits after the first 60 days.
  - If your coverage ends during this 60-day period, then your newborn's coverage will end on the same date as your coverage. This applies even if the 60-day period has not ended.
  - If additional premium contribution is required to enroll the child, payment must be received within 60 days of enrollment. If you have any questions, contact us at the toll-free number on your ID card

- An adopted child or a child legally placed with you for adoption - A child that you, or that you and your spouse, civil union partner, or domestic partner adopts, or that is placed with you for adoption with you is covered on your plan for the first 60 days after the adoption or the placement is complete.
  - To keep your child covered, HSAC must receive your completed enrollment information within 60 days after the adoption or placement for adoption.
  - You must still enroll the child within 60 days of the adoption or placement for adoption even when coverage does not require payment of an additional premium contribution for the child.
  - If you miss this deadline, your adopted child or child placed with you for adoption will not have health benefits after the first 60 days.
  - If your coverage ends during this 60-day period, then coverage for your adopted child or child placed with you for adoption will end on the same date as your coverage. This applies even if the 60-day period has not ended.
  - If a child placed for adoption with you the child is removed from placement prior to being legally adopted, coverage for that child will end.

- Dependent coverage due to a court order - If you must provide coverage to a dependent because of a court order, your dependent is covered on your health plan for the first 31 days from the court order.
  - To keep your dependent covered, HSAC must receive your completed enrollment information within 31 days of the court order.
  - You must still enroll the dependent within 31 days of the court order even when coverage does not require payment of an additional premium contribution for the dependent.
  - If you miss this deadline, your dependent will not have health benefits after the first 31 days.
  - If your coverage ends during this 31-day period, then your dependent's coverage will end on the same date as your coverage. This applies even if the 31-day period has not ended.

If you need information or have general questions on dependent enrollment, call **HSAC** at **1-888-978-8355**.

In-network Provider Network

Aetna Student Health offers Aetna's broad network of In-network Providers. You can save money by seeing In-network Providers because Aetna has negotiated special rates with them, and because the Plan's benefits are better.

If you need care that is covered under the Plan but not available from an In-network Provider, contact Member Services for assistance at the toll-free number on the back of your ID card. In this situation, Aetna may issue a pre-approval for you to receive the care from an Out-of-network Provider. When a pre-approval is issued by Aetna, the benefit level is the same as for In-network Providers.

Precertification

You need pre-approval from us for some eligible health services. Pre-approval is also called precertification. Your in-network physician is responsible for obtaining any necessary precertification before you get the care. When you go to an out-of-network provider, it is your responsibility to obtain precertification from us for any services and supplies on the precertification list. If you do not precertify when required, there is a **$500** penalty for each type of eligible health service that was not precertified. For a current listing of the health services or prescription drugs that require precertification, contact Member Services or go to www.aetnastudenthealth.com.

Precertification Call

Precertification should be secured within the timeframes specified below. To obtain precertification, call Member Services at the toll-free number on your ID card. You, your physician or the facility must call us within these timelines:

Non-emergency admissions	Call at least 14 days before the date you are scheduled to be admitted.
Emergency admission	Call within 48 hours or as soon as reasonably possible after you have been admitted.
Urgent admission:	Call before you are scheduled to be admitted.
Outpatient non-emergency medical services	Call at least 14 days before the care is provided, or the treatment is scheduled

An urgent admission is a hospital admission by a physician due to the onset of or change in an illness, the diagnosis of an illness, or an injury.

We will provide a written notification to you and your physician of the precertification decision, where required by state law. If your precertified services are approved, the approval is valid for 60 days as long as you remain enrolled in the plan.

Coordination of Benefits (COB)

Some people have health coverage under more than one health plan. If you do, we will work together with your other plan(s) to decide how much each plan pays. This is called coordination of benefits (COB). A complete description of the Coordination of Benefits provision is contained in the certificate issued to you.

Description of Benefits

The Plan excludes coverage for certain services and has limitations on the amounts it will pay. While this Plan Summary document will tell you about some of the important features of the Plan, other features that may be important to you are defined in the Certificate. To look at the full Plan description, which is contained in the Certificate issued to you, go to https://www.aetnastudenthealth.com.

This Plan will pay benefits in accordance with any applicable Idaho Insurance Law(s).
