Student Coverage

Eligibility

All students are automatically enrolled in the Rocky Vista University Student Health Insurance Plan at registration and the premium for coverage is added to the tuition billing. Enrollment can be waived if proof of valid and comparable insurance is furnished and approved by submitting a waiver at the time of registration. Please see the Waiver Process section below for additional information.

Students must actively attend classes for at least the first 31 days after the date for which coverage is purchased. Part-time students, independent study, internet classes and television (TV) courses may not fulfill the eligibility requirements that the covered student actively attends classes. If the eligibility requirements are not met, Aetna’s only obligation is to refund the premium, less any claims paid.

Enrollment

Eligible students will be automatically enrolled in this Plan, unless the completed waiver application has been received by Rocky Vista University by the specified waiver deadline date listed above.

The Enrollment and Waiver process is administered by HSA Consulting, Inc. (HSAC), the Rocky Vista University (RVU) student insurance plan administrator. To enroll in the RVU student insurance plan, or if you have any questions regarding the enrollment or waiver process, contact HSAC at 1-888-978-8355, or visit <https://app.hsac.com/rvu>. Once you are enrolled in the plan, there are no refunds or cancelations.

Medicare Eligibility Notice

You are not eligible to enroll in the student health plan if you have Medicare at the time of enrollment in this student plan. The plan does not provide coverage for people who have Medicare.

Termination and Refunds

Withdrawal from Classes – Leave of Absence

If you withdraw from classes under a school-approved leave of absence, your coverage will remain in force through the end of the period for which payment has been received and no premiums will be refunded.

Withdrawal from Classes – Other than Leave of Absence

- If you withdraw from classes within 31 days after the policy effective date, you will be considered ineligible for coverage. Your coverage will be terminated retroactively and any premium paid will be refunded.
- If the withdrawal from classes is more than 31 days after the policy effective date, your coverage will remain in force through the end of the period for which payment has been received. No premium will be refunded.
- If you withdraw from classes to enter the armed forces of any country, your coverage will end as of the date of such entry. We will refund your premium, on a pro rata basis, if you submit a written request within 90 days from the date you withdraw.

In-network Provider Network

Aetna Student Health offers Aetna's broad network of In-network Providers. You can save money by seeing In-network Providers because Aetna has negotiated special rates with them, and because the Plan's benefits are better.

If you need care that is covered under the Plan but not available from an In-network Provider, contact Member Services for assistance at the toll-free number on the back of your ID card. In this situation, Aetna may issue a pre-approval for you to receive the care from an Out-of-network Provider. When a pre-approval is issued by Aetna, the benefit level is the same as for In-network Providers.

Precertification

You need pre-approval from us for some covered services. Pre-approval is also called precertification. Your in-network physician is responsible for obtaining any necessary precertification before you get the care. When you go to an out-of-network provider, it is your responsibility to obtain precertification from us for any services and supplies on the precertification list. If you do not precertify when required, there is a **\$500** penalty for each type of covered service that was not precertified. For a current listing of the health services or prescription drugs that require precertification, contact Member Services or go to <https://www.aetnastudenthealth.com>.

Precertification Call

Precertification should be secured within the timeframes specified below. To obtain precertification, call Member Services at the toll-free number on your ID card in the *Contact us* section. You, your physician or the facility must call us within these timelines:

Non-emergency admissions	Call at least 14 days before the date you are scheduled to be admitted.
Emergency admission	Call within 48 hours or as soon as reasonably possible after you have been admitted.
Urgent admission	Call before you are scheduled to be admitted.
Outpatient non-emergency medical services	Call at least 14 days before the care is provided, or the treatment is scheduled

An urgent admission is a hospital admission by a physician due to the onset of or change in an illness, the diagnosis of an illness, or an injury.

We will provide a written notification to you and your physician of the precertification decision, where required by state law and within the time frame specified by state law. If your precertified services are approved, the approval is valid for 60 days as long as you remain enrolled in the plan.

Coordination of Benefits (COB)

Some people have health coverage under more than one health plan. If you do, we will work together with your other plan(s) to decide how much each plan pays. This is called coordination of benefits (COB). A complete description of the Coordination of Benefits provision is contained in the certificate issued to you.

Description of Benefits

The Plan excludes coverage for certain services and has limitations on the amounts it will pay. While this Plan Summary document will tell you about some of the important features of the Plan, other features that may be important to you are defined in the Certificate. To look at the full Plan description, which is contained in the Certificate issued to you, go to <https://www.aetnastudenthealth.com>.

This Plan will pay benefits in accordance with any applicable Colorado Insurance Law(s).

Important note:

- As out-of-network providers do not have a contract with us the provider may not accept payment of your cost share, (copayment/coinsurance), as payment in full. You may receive a bill for the difference between the amount billed by the provider and the amount paid by this plan. If the provider bills you for an amount above your cost share, you are not responsible for paying that amount. You should send the bill to the address listed on the back of your ID card, or call Member Services for an address at 1-877-480-4161 and we will resolve any payment dispute with the provider over that amount. Make sure the ID card number is on the bill.
- A separate emergency room copayment/coinsurance will apply for each visit to an emergency room. If you are admitted to a hospital as an inpatient right after a visit to an emergency room, your emergency room copayment/coinsurance will be waived and your inpatient copayment/coinsurance will apply.
- Covered benefits that are applied to the emergency room copayment/coinsurance cannot be applied to any other copayment/coinsurance under the plan. Likewise, a copayment/coinsurance that applies to other covered benefits under the plan cannot be applied to the emergency room copayment/coinsurance.
- Separate copayment/coinsurance amounts may apply for certain services given to you in the emergency room that are not part of the emergency room benefit. These copayment/coinsurance amounts may be different from the emergency room copayment/coinsurance. They are based on the specific service given to you.
- Services given to you in the emergency room that are not part of the emergency room benefit may be subject to copayment/coinsurance amounts that are different from the emergency room copayment/coinsurance amounts.
